## BOOK SYNOPSIS

Thanks to today's busy lifestyles, nearly 4,500 institutions of higher learning, and more than 21 million students, the need for college admissions consulting services continues to grow. The experts at Entrepreneur detail how education enthusiasts and/ or those with a passion for counseling others can take advantage of this home-based business opportunity. Coached by our experts, entrepreneurs learn how to identify their specialty or services—from steering high school students towards acceptance to assisting in filing admission and financial applications and other market needs. They also learn business basics such as establishing their company as a legal entity, outfitting a home office, handling the finances, promoting your services and the like. Given contact lists, resource lists, sample documents, and even interviews from practicing entrepreneurs sharing money-saving tips, pitfalls to avoid, and tricks of the trade, entrepreneurs gain all the intel they need to make their business startup and launch a success.
