## BOOK SYNOPSIS

The American claim that we should love and be passionate about our job may sound uplifting, or at least, harmless, but *Do What You Love* exposes the tangible damages such rhetoric has leveled upon contemporary society. Virtue and capital have always been twins in the capitalist, industrialized West. Our ideas of what the “virtues” of pursuing success in capitalism have changed dramatically over time. In the past, we believed that work undertaken with an ethos of industriousness promised financial stability and basic comfort and security for our families. Now, our working life is conflated with the pursuit of pleasure. Fantastically successful—and popular—entrepreneurs such as Steve Jobs and Oprah Winfrey command us. “You’ve got to love what you do,” Jobs tells an audience of college grads about to enter the workforce, while Winfrey exhorts her audience to “live your best life.” The promises made to today’s workers seem so much larger and nobler than those of previous generations. Why settle for a 30-year fixed rate mortgage and a perfectly functional eight-year-old car when you can get rich becoming your “best” self and have a blast along the way? But workers today are doing more and more for less and less. This reality is frighteningly palpable in eroding paychecks and benefits, the rapid concentration of wealth in the hands of a tiny few, and workers’ loss of control over their labor conditions. But where is the protest and anger from workers against a system that tells them to love their work and asks them to do it for less? While winner-take-all capitalism grows ever more ruthless, the rhetoric of passion for labor proliferates. In *Do What You Love*, Tokumitsu articulates and examines the sacrifices people make for a chance at loveable, self-actualizing, and, of course, wealth-generating work and the conditions facilitated by this pursuit. This book continues the conversation sparked by the author’s earlier Slate article and provides a devastating look at the state of modern America’s labor and workforce.

### **DO WHAT YOU LOVE AND OTHER LIES ABOUT SUCCESS AND HAPPINESS -**

Are you looking for Ebook *Do What You Love And Other Lies About Success And Happiness*? You will be glad to know that right now *Do What You Love And Other Lies About Success And Happiness* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Do What You Love And Other Lies About Success And Happiness* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Do What You Love And Other Lies About Success And Happiness* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Do What You Love And Other Lies About Success And Happiness*. To get started finding *Do What You Love And Other Lies About Success And Happiness*, you are right to find our website which has a comprehensive collection of manuals listed.
