Lady Kahina Loren, born into the Prism system's powerful ruling family, is desperate to throw off the shackles of her privileged lifestyle and discover herself, but ambition crumbles when she faces death at the hands of the one person she thought she could trust. With the advanced technology of the 3rd millennium, death is not always as final as it seems, but when that technology malfunctions, is death the better option... 10% of the proceeds of this book will be donated to the Ashford Dyslexia Centre, a charity who do wonderful work with sufferers of dyslexia including one to one tuition, workshops and presentations providing tools to maximise potential.
