BOOK SYNOPSIS

The authoritative preparation guide to help you conquer the IELTS The International English Language Testing System (IELTS) is a paper-based test that consists of four modules—Listening, Reading, Writing, and Speaking. Question types include multiple choice, sentence completion, short answer, classification, matching, labeling, and diagram/chart interpretation. Created by ESL experts at Cambridge University in the UK, the IELTS English proficiency exam is used worldwide for admission to English-speaking colleges and universities. McGraw-Hill's IELTS provides intensive instruction and practice for every question type you may encounter on this important exam, plus four complete sample tests with explanations. The audio CD packaged with the book provides audio tracks for all listening portions of the test.
