BOOK SYNOPSIS

When a good southern girl becomes a single teen mom, how does she hold onto her dreams? New York Times bestselling author Maci Bookout was just a normal, slightly overachieving high school girl in Chattanooga, Tennessee. But then she got pregnant, and everything turned upside down. Even as she rose to fame on MTV's hit series Teen Mom, Maci was struggling to balance life as a single teen mom with her own hopes and dreams...all while honoring her own sense of independence. This is the true story of how she took charge of the unexpected to build a life for herself and her son Bentley, and managed not to go crazy in the process. Because sometimes growing up is an act of will...and Maci's will is bulletproof.
