## **BOOK SYNOPSIS**

AS HEARD ON BBC RADIO 4 A GOOD READ A novel that made such a deep impression on me at sixteen that I can still conjure the atmosphere in my fifties: of yearning, infatuation mingled indistinguishably with envy, and remorse Lionel Shriver An American coming-of-age tale during a period when the entire country was losing its innocence to the second world war. Set at a boys boarding school in New England during the early years of World War II, A Separate Peace is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world.
