## BOOK SYNOPSIS

This guide for managing the rigorous medical school admissions process surpasses its dry Barrons and Princeton Review counterparts by providing application strategies proven effective by both degreed professionals and current medical students. Included are secrets of the Mcat, tips on the interview, and sample personal statements. Ideal for the high school or college student seeking general guidelines for applying, there is also information for minority students, women, and older applicants. All data has been updated and new material on applying to foreign medical schools has been added.
