BOOK SYNOPSIS

Once thought to be only the tippie of southern gentlemen and the companion of confederate roughnecks, bourbon has gained a steady resurgence in popularity over the years with an ever-expanding and diverse audience. A beverage distilled almost exclusively in Kentucky, bourbon has attained prominence and appreciation for its complexity, history, and tradition. In *The Kentucky Bourbon Cookbook*, Albert Schmid provides readers with the best recipes using the famous spirit of the Bluegrass. From classic Kentucky cocktails such as the Mint Julep, to bourbon inspired desserts, such as Bourbon-Pecan Crème Brûlée with Chocolate Sauce, and more savory fare, such as Steaks with Bourbon Ginger Sauce, this book supplies recipes for every course. Schmid uses the four distinct seasons of the Bluegrass State to guide the reader through this rich collection of bourbon dishes and color photographs. In many ways a lesson on the flavor profiles that pair with and improve the flavor of bourbon, this book can be used by the home cook and the professional chef alike for inspiration to create new dishes. Much more than just a cookbook, *The Kentucky Bourbon Cookbook* recounts bourbon lore, food traditions, and Kentucky history, giving the reader a full appreciation of Americas native spirit.

THE KENTUCKY BOURBON COOKBOOK - Are you looking for Ebook *The Kentucky Bourbon Cookbook*? You will be glad to know that right now *The Kentucky Bourbon Cookbook* is available on our online library.
