## BOOK SYNOPSIS

The first, and still the best known, testimony by a gay survivor of the Nazi concentration camps translated into English, this harrowing autobiography opened new doors onto the understanding of homosexuality and the Holocaust when it was first published in 1980 by Gay Mens Press. **THE MEN WITH THE PINK TRIANGLE** has been translated into several languages, with a second edition published in 1994 by Alyson Books. Hegers book also inspired the 1979 play *Bent* by Martin Sherman which was filmed as the 1997 movie of the same name, directed by Sean Mathias.
